Dear Learner/Parent/Carer,

I am writing to explain how we plan to provide learners with their results this summer. These arrangements will apply to learners in years 10, 11, 12 and 13 who will be expecting results for examinations sat in summer 2022. To conform with GDPR regulations we will only provide learners with their results. Learners must ensure that they attend school at the times listed below, otherwise we may not be able to issue results. Results will not be provided over the telephone.

If learners do not wish to collect their results from school, we will post them to the home address. If there are any changes to the current home address we hold for you, then please email the information via school@aberdareschool.co.uk.
